

International Journal of Scientific and Engineering Research

The [International Journal of Scientific & Engineering Research](#) is an open access peer-reviewed international forum for scientists and engineers involved in research to publish high quality and refereed papers. Papers reporting original research or extended versions of already published conference/journal papers are all welcome. Papers for publication are selected through peer review to ensure originality, relevance, and readability. The journal ensures a wide [indexing](#) policy to make published papers highly visible to the scientific community.

IJSER is part of the eco-friendly community and favors e-publication mode for being an online 'GREEN journal'.
