ABSTRACT

Background and objectives: AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya. AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news. **Materials and Methods:** AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya. **Results:** AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news. **Conclusions:** AlQalam Journal of Medical and Applied Sciences (AJMAS).

INTRODUCTION

AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya [1]. AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news [2,3].

AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya [4-6]. AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news.

METHODS

AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya. AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news.

Alqalam journal of medical and applied sciences

AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya. AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news.

RESULTS

AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya. AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news.

Table 1. Names of drugs purchased without prescription.

Drug	Respondents (n)	% Percentage
Co-amoxiclav	120	61.8
Amoxicillin	51	26.3
Cephalosporins	13	6.7
Tetracycline	3	1.6
Metronidazole	7	3.6
Total	194	100

AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya. AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news.

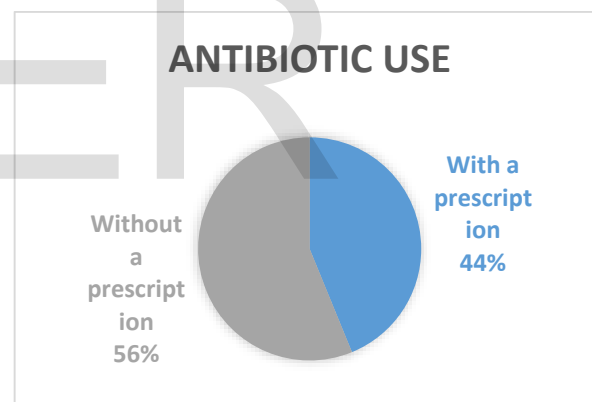

Figure 1. Level of purchase antibiotic with or without a prescription.

AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya. AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news.

DISSCUSION AND CONCLUSION

AlQalam Journal of Medical and Applied Sciences (AJMAS) is a peer-viewed online academic research journal published two time per year by University of Tripoli Alahlia, Libya. AJMAS encourages new ideas and works in fields of Medical, biological, and health sciences and it publishes high quality original papers, theory-based empirical papers, review papers, case reports, conference reports/papers, technology reports, book reviews, commentaries, events and news.
