1. ABSTRACT

In the history of human civilization, global languages, **Ancient Egyptian culture, language script**, is so far considered as very old. Now the discovery of “**ROSETTA STONE**” near Nile delta of Rosetta (**Rashid**) in **Egypt**, which contains **same messages inscribed in three languages** led the researchers consider as a **key** used to unlock the **mystery** of evolution of **ancient language scripts** in Egypt. Before discovery of rosetta stone there was no understanding about ancient language of Egypt Script.

A scientific research in this article emphasize that the “**THAMEE SCRIPT**” shall be considered as very old script existing in **prehistoric time** even before evolution of ancient Egyptian “**trilingual scripts**” **Hieroglyphs, Domotic character, Greek**, inscribed in the “**Rosetto stone**” dated back to **196 BC** which was said to have discovered in **1799** and its translation was completed in **1824**.

This research focus that the prehistoric **Thamee script** shall be considered as closely associated with **Astrophysics, Astronomy, Great pyramids**, which translates the structural and functional properties of **fundamental Neutrinos**, relative position of **SUN, EARTH, MOON** in the **Universe** . The word “**Thamee**” shall be considered as evolved from “**THAMEEN Population**”.

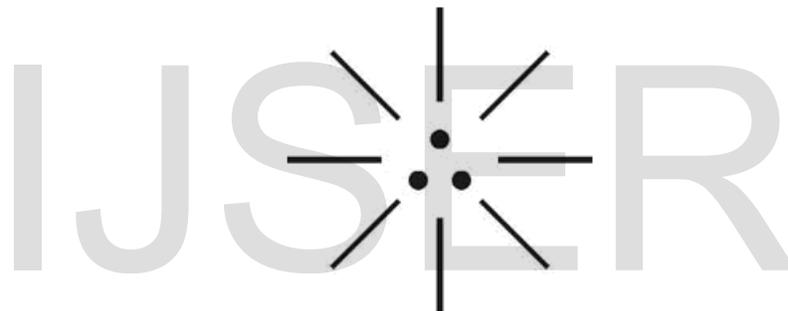

Further the thamee script shall also be considered as prehistoric **scientific code** involved for **remote control** of Various planets for systematic and precise regulation on its axis **electromagnetically** by sending **signals** consisting of several inbuilt **sub logic programe** from a **fixed point**.

This research suggests that clear understanding about Thamee script may reveal mysteries in **current pyramid theories** such as how the Great pyramids of **Giza** were constructed with advanced technology and to solve current global climate changes issues such as frequent **Earthquakes, unpredicted Cyclone, volcanic activity, Sudden forest fire** etc.

It is focused that “**Thameen**” shall be considered as “**SUPER SCIENTISTIS**” who could effectively manage the relative position of **SUN, EARTH, MOON** effectively on its axis in prehistoric time.

“The prehistoric thamee script shall be considered as the “Word of God” and “Triphthong logic” having glittering and electro magnetic radiation effect”.

It is focused that in the history of **human evolutionary science, human anthropology**, the human kinds shall be considered as classified into three fundamental category.

1. Existence of Prehistoric "Aliens" (1st generation)
2. Origin of "Dravidans" (2nd generation)
3. Origin of "Aryans" (3rd generation)

It is focused that **Thamee Script** shall be considered as prehistoric alphabet used by Aliens in **Code form**. It is Speculated that the **Great pyramids** of Giza in Egypt might have been constructed by "Aliens". The prehistoric human shall be considered as **expert** in "Astronomy" and constructed Great pyramids for **astronomical reasons**. It is focused that the "Great pyramids" of Egypt shall be considered located at "equator" of the earth which might have acted as "electromagnetic device" for regulation of **Sun, Earth, Moon** on its **axis** in prehistoric time.

It is speculated that the “**three tiny dot**” alphabet found in “**Indus valley civilization**” shall be considered as derived from the philosophy of **prehistoric Thamee script**. The three tiny dot **Indus Valley** alphabet shall be **translated pictorially** as three ethnic Dynasty of **Dravidians** in “**ancient Egypt**”.

7. Conclusion

“Thamee script” shall be considered as the Three-in-one scientific **Black box logic** rather mere language script. In modern time the philosophy of adoption of global level **Trilingual policy, tricolour flag logo**, might be of India etc., might be derived from the philosophy of “Thamee script” adopted by Thameen. “THAMEEN” shall mean “BLACK GOD”, INDO shall mean “RED GOD”. PARAOAH shall mean “WHITE GOD”.

It is focused that in the history of Human Anthropology and Civilisation, the sense of “Ethnism” might have evolved because of **more than one child in a family**. The “error’ shall be considered lie on **Parent** instead of blaming the “Government” for maintaining **Prosperous life** and environment.

In the early universe “GOD” might be so happy and subsequently lost all peace due to philosophy of “TRIVERSITY” creation of “Nature”.

It is speculated that our “NAINA” may lose its “Peace” in future because of its “Two Child Birth” philosophy at the juncture of “Acute Global Fuel Deficit”.
